**Re: *United States v. Eladio Martin Valerio*, 24 Cr. 342 (AS)**

Dear Judge Subramanian:

I write with the Government's consent to respectfully request that the Court order Pretrial Services to return Eladio Valerio's travel documents, including his passport, to him. Those documents were surrendered by him as part of his pretrial bond conditions. On February 14, 2025, the Court sentenced Mr. Valerio to three years' probation (with 15 months' home confinement).

Thank you for your attention to this request.

Respectfully submitted,

/s/ Jonathan Marvinny
